

# DUE DILIGENCE **READY!**

Ensuring responsible minerals and metals supply chains

## **WHAT**

An online portal with information, tools and training materials – in 7 languages – to guide companies to conduct due diligence on their supply chains.

## **FOR WHOM**

Dedicated to small and medium-sized enterprises (SMEs) - but also available to all companies - with minerals and metals in their supply chain to help them perform due diligence.

## **WHY**

Help companies demonstrate minerals and metals responsible sourcing and, if applicable, comply with regulatory requirements, including the new EU 'Conflict Minerals' Regulation effective on 1 January 2021.

## **MINERALS & METALS SCOPE**

Focusing on tin, tantalum, tungsten and gold but also including all other minerals and metals such as battery raw materials.

## **WHEN**

Launching on 20 November 2019, during Raw Materials Weeks 2019.
